

UNITED STATES BANKRUPTCY COURT
NORTHERN DISTRICT OF OHIO

In re:

TEMPORARY FILING PROCEDURES

THIRD AMENDED GENERAL
ORDER NO. 20-03

The Court previously entered its Second Amended General Order No. 20-02, which has now been separately extended, to modify certain electronic filing procedures and its Second Amended General Order No. 20-03 to modify certain manual filing procedures. These general orders were entered in response to the pandemic spread of COVID-19 disease, national and state declarations of public health emergencies by the President of the United States and the Governor of the State of Ohio and guidance issued by the federal Centers for Disease Control and state and local health officials.

In order to address this ongoing situation, the United States District Court for the Northern District of Ohio separately entered on May 22, 2020, its General Order No. 2020-08, which is available on its website. The District Court's General Order No. 2020-08 continues and extends closure of courthouses in the district to the general public through July 31, 2020, provided, however, persons specifically authorized by the Presiding Judge in a matter may enter courthouse property subject to the health and safety protocols set forth in the order. It is unknown at this time whether that order will be extended or otherwise modified. Regardless of the status of District Court General Order No. 2020-08 and any successor order, this Court has decided that it is in the best interests of its litigants, lawyers, staff, and the general public, based on current conditions as

to the spread of COVID-19 in this district, that it is necessary and appropriate to extend the term of its Second Amended General Order No. 20-03 at this time.

The Court therefore enters this Third Amended General Order No. 20-03 temporarily modifying manual filing procedures. This Third Amended General Order No. 20-03 is effective immediately. It supplements the Court's separate Third Amended General Order No. 20-02 and amends the Court's Second Amended General Order No. 20-03 to extend its termination date through October 30, 2020.
