Continued on attached separate page(s).

Any executory contract or unexpired lease not identified above is deemed rejected.

2. The rights of holders of claims secured by a lien or mortgage on residential real property of the debtor shall be modified only to the extent of curing the default and shall result in reinstatement of the mortgage according to its original terms, with no default in scheduled payments. Any exception must be set forth with specificity in Special Provisions and may require additional motions or adversary proceedings.

3. The holder of any claim secured by property of the estate other than a mortgage treated elsewhere herein shall retain the lien until the earlier of payment of the entire balance under applicable non-bankruptcy law or entry of the discharge under 11 U.S.C. § 1328, at which time the lien shall terminate and be released by the creditor.

4. Within fourteen (14) days of a request by the trustee, the debtor shall provide copies of any tax returns filed during the pendency of this case and proof of payment, if applicable, and a copy of the debtor's current wage statement.

C. Direct Payment Of Mortgage Claims By Debtor

- The debtor will make no direct payments to mortgage creditors holding prepetition claims, /or/
- The debtor is less than two (2) months delinquent and will make current monthly payments, as listed in the debtor's Schedule J, increased or decreased as necessary to reflect changes in variable interest rates, escrow requirements, collection costs, or similar matters, directly to the following creditors holding claims secured by a mortgage on the debtor's real property:

To creditor _____, monthly payments of \$ _____.

- Continued on attached separate page(s).

Any arrearage is provided for in section E4. The current monthly payments are to commence on all mortgages on the due date (without reference to any grace period) immediately following the filing of the petition.

D. Payments By Debtor To The Trustee

1. **Initial plan term/Commitment period.** The debtor will pay to the trustee _____ monthly for _____ months, or all future disposable income, whichever is greater, for a period not less than [drop box 36/60] months. Any deviations shall appear in Special Provisions but are deemed to include all future disposable income language.

Payments shall be by Wage Order on Employer By Debtor ("Private Pay") in the form of money order or certified check. Payments must commence within ten (10) days of filing the plan. The fixed payments required by the plan will begin on or about the first day of the first month after the first payment is received.

2. **Adjustments to initial term.** If the amount paid by the debtor to the trustee during the initial plan term does not permit payment of general unsecured claims as specified, then the debtor shall make additional monthly payments, during the maximum plan term allowed by law, sufficient to permit the specified payments.

E. Disbursements by the Trustee

The trustee shall disburse payments received from the debtor under this plan as follows:

1. **Trustee's fees.** Payable monthly on disbursements.
2. **Priority claims of debtor's attorney.** Payable in full in allowed amounts, not to exceed the lesser of one-half of the funds on deposit with trustee or \$150.00 per month, after payment of claims with superior priority as set forth in paragraph F, according to current administrative order. Otherwise, attorney fees are payable upon application and must be described in Special Provisions.
3. **Current mortgage payments.** Not applicable unless trustee is making payments. Leave blank if debtor is paying direct or has no mortgages.

Payable according to the terms of the mortgage, as set forth below, and subject to any contrary proof of claim, commencing with the payment due (without regard to any grace period) after the filing of the case. Debtor is responsible for making certain that wage deductions or Private Pays are sufficient to make the initial payment and, if not, debtor is responsible for paying additional funds to trustee in order for trustee to make the payments as set forth.

If trustee does not have sufficient funds to make a full mortgage payment, trustee will send notice, by the 10th of the month, to the mortgage holder at the address on the proof of claim as well as to any attorney who makes notice of appearance. Trustee will continue to make future payments and catch up delinquent payments if possible. Each month debtor remains delinquent, a notice will be sent to the mortgage holder as described above. Copies of said notice will be sent to debtor and debtor's attorney.

Mortgage payments shall cease as soon as all other creditors have been paid pursuant to debtor's confirmed plan and the arrearage claim of the mortgage holder has been paid. Trustee will request confirmation from the creditor as to the status of the mortgage payments and request the mortgage holder to send a payment book or statements to debtor upon termination of the pay order so that debtor can start making the correct regular mortgage payments on a date certain and debtor begins with a fresh start as to the mortgage debt.

Each of these payments shall be increased or decreased by trustee as necessary to reflect changes in variable interest rates, escrow requirements, collection costs, or similar matters; trustee shall make the change in payments as soon as practicable after receipt of a notice of the change issued by the mortgage holder, but no later than fourteen (14) days after such receipt.
