**All Lists of Creditors must meet the following minimum standards:**

1. Each address cannot exceed 5 lines of type;
2. Each page must be prepared showing creditors in a single column no closer than 1 1/2 inches from any edge;
3. Each line of type cannot exceed 35 characters;
4. Addresses should not contain account numbers, dollar amounts, phone numbers, or other internal creditor identifying codes;
5. The last line within each address must show only the city, state, and zip code;
6. Only two letter state abbreviations shall be used;
7. The List of Creditors must be submitted in letter quality print using a Courier or Gothic font style.
